Since opening our Scottsdale retail doors in 2016, we have been recognized as Best Seafood Restaurant by several Phoenix publications, accredited on [Forbes.com](http://Forbes.com), The Food Network and by the James Beard Foundation, to name a few. Our chef driven restaurants utilize our high quality products alongside locally sourced goods to produce some of the best seafood dishes in the Valley. Our mission is to purvey the highest quality, fairest priced, most sustainable seafood while presenting it in ways familiar and unfamiliar. We are growing and we need quality team players like you.

Thank you for your consideration - we look forward to meeting you!
